UNIVERSITY OF WISCONSIN-MADISON

Large Animal Patients Needed for Clinical and Farm Studies November 2018

The following clinical and farm studies are recruiting patients at UW Veterinary Care. Some trials recruit healthy animals as controls. Many trials provide a **reduction in the cost of treatment**. For more information on any studies, please visit our webpage: **uwveterinarycare.wisc.edu/clinical-studies**, or call the clinic and speak to a member of the specific service: **608-263-7600, press 3 for the large animal hospital**. Thank you for helping improve the health of animals.

- **Orthopedics – ask for Dr Sabrina Brounts**
  - Horses with **Degenerative Suspensory Ligament Desmitis** - investigate genetic heritability of this disease
